

Field flower

An original outline to trace, arrange and adapt for your personal project.

50 mm print check

Arrange loose buttons over the circles before attaching them to your chosen decorative backing. Use your own sizes and colours; keep empty space around the outline.

Colours / materials / notes:

The project brief

Decide what you want to make before choosing new supplies.

Project / recipient / purpose

Finished size / deadline / constraints

What success looks like

One next step

Repair queue

Choose one manageable job. Put specialist or uncertain repairs aside for advice.
